

***Waymo v. Uber***  
**Case No. 3:17-cv-00939-WHA**

# **TRIAL EXHIBIT 8857**

**Uber Objections:**

- Fed. R. Evid. 802 – This document contains inadmissible hearsay; namely, out of court statements made by Anthony Levandowski, who participated in the Stroz diligence process in his individual capacity. *See* Br. § II.
- Fed. R. Evid. 805 – This document contains inadmissible hearsay within hearsay; namely, Anthony Levandowski’s recitation of out of court statements made by other declarants. *See* Br. § II.
- Fed. R. Evid. 1002 – The original document contains multiple different colors of writing. The different colors are attributable to different authors and/or were composed separately at different points in time. *See* Br. § II. The trial exhibit is a photocopy of the original document, which obscures the color differences.

*Note:* This document is handwritten and is not susceptible to highlighting.
